SAVE THE DATE: HEALTH POLICY WEEK IS FEBRUARY 6-10!

Join SCOHP!

A new semester means new opportunities to get involved in SCOHP! If you just came back from abroad or have friends looking to get involved, here's our interest form. Additionally, this is a great time for existing members to get involved in new committees! Here are all of our GroupMes:

Service & Advocacy: [url redacted]

Career & Professional Development: [url redacted]

Campus Engagement: [url redacted]

Health Policy Education: [url redacted]

Our next GBM will be **Sunday, January 22, 2023!** We will send out another email next week with the location and time.

Case Competition Sign-ups

The annual case competition led by the Career & Professional Development committee will round out the end of Health Policy Week on February 10 and 11. You can now sign-up to participate, either individually (in which case you'll be placed into a team) or with a team. The competition will begin on Friday at 5pm with a kick-off meeting and run through Saturday. Submit this [Google Form](#) by February 3 and contact Anna Tharakan (email redacted), Sai and/or Velda with any questions.

Blood Drive

SCOHP is working with **Curamericas Global**, a non-profit **partner with underserved communities to make measurable and sustainable improvements in their health and wellbeing**, and the **American Red Cross** to host a **blood drive** on campus. This blood drive will be taking place **ALL DAY Friday, January 20th, 2023** at the Broadhead Center Room 067! Any contribution is meaningful!

Please use the link below to sign up for a donation slot.

<https://www.redcrossblood.org/give.html/donation-time>

Confirm the correct date (01/20/2023) and location (Broadhead Center). If you struggle to find the drive, go to "FIND A DRIVE" and type in "Duke". It should be the first to appear.

This process will not take more than an hour, and includes a small registration, the donation, and a 15-minute wait filled with snacks. Donate blood and learn more about the work that Curamericas is doing!

Please contact Anna Tharakan (email redacted) or [phone number redacted] with any questions.

MBB Raffle

Another way to support our partnership with Curamericas is [purchasing a raffle ticket](#) for a chance to win two tickets to a Duke MBB home game.

The raffle prize is two tickets (Section 5, Row C, Seats 6 and 8) to either:

Notre Dame at Duke Blue Devils Men's Basketball Game Tuesday, February 14, 2023 • 7:00 PM at Cameron Indoor Stadium, Durham, NC

Louisville at Duke Blue Devils Men's Basketball Game Monday, February 20, 2023 • 7:00 PM at Cameron Indoor Stadium, Durham, NC

After you buy your tickets, be sure to select which "Item" or which game and submit your tickets to that game. The cost of one raffle ticket is \$25. A maximum of 2,000 tickets will be sold. Curamericas reserves the right to determine whether to proceed with the raffle based on the number of tickets sold. After the winning raffle ticket is selected, Curamericas Global will notify the winning raffle ticket holder and distribute the two tickets electronically to the winner via text message or email on or around February 12, 2023.

Interested in being on 2023-2024 exec?

As we get closer to the end of the year, it's time to start thinking about next year's executive board! If you're interested in being a **Co-President** (two-year term, class of 2024 is not eligible), **Director of Communications**, or another position, keep an eye on the listserv for more details.

Committee Testimonials

If you were involved in a subcommittee or project last semester and you're interested in being featured on our Instagram or LinkedIn, respond to this email with a photo and short blurb. We really want to highlight what people like about SCOHP!

BULL CITY STRONG

Bull City Strong is a community-based partnership to reduce the increased risk of contracting, being hospitalized, and dying from COVID-19 among Black, Hispanic, and other historically marginalized populations in Durham County. Bull City Strong is seeking applications from artists, journalists, and social influencers for **Say Something Strong**, a project to share stories of community health and resilience in Durham during the COVID pandemic. Funding is available for creative projects that reflect or work to resolve health equity issues resulting from COVID-19. Priority will be given to projects that can reach and create positive impact in historically marginalized communities.

Two award levels are available:

- Two \$5,000 awards
- One \$15,000 project

Applications are open to all people age 16 or older. Applications can be completed online; printed and returned to [Durham County Main Library, 300 N. Abortion Doula Training

Abortion doulas are people who provide support to patients before, during and after pregnancy termination. Advocates for Youth and Dopo are providing a seven-week training on how to be an abortion doula from February 27 to April 10. Sessions are on Mondays from 6-8pm ET. See the

[application](#) to learn more and apply. The application deadline is January 16.

Health Policy Certificate

This is your regular reminder to check out the undergraduate health policy certificate. This Certificate is an excellent opportunity to pursue coursework and field experiences in Health Policy and can be taken in conjunction with majors and minors; it also will appear on your transcript once it is completed. Check out this link for more information and application: <https://healthpolicy.duke.edu/health-policy-certificate>

Shoutouts: Shoutout to our [Mom-A-Thon](#) team which raised **\$3508** for mothers and children and treasurer Amy Labrador for being a co-author on a [Milbank Quarterly](#) publication.
